GEORGE J. DUGENIUS
REGISTER OF DEEDS
DOUGLAS COUNTY, NEBR.

DECLARATION OF
PROTECTIVE COVENANTS,
CONDITIONS AND RESTRICTIONS
FOR LAKE CUNNINGHAM HILLS SUBDIVISION

The undersigned, TOD COMPANY, a Nebraska corporation, (hereinafter referred to as "Developer"), the owner of the following described real property in Lake Cunningham Hills, a subdivision as surveyed, platted and recorded in Douglas County, Nebraska, does hereby create, adopt, declare and establish the following restrictions upon the following described real properties:

Lots 27 through 120, inclusive, 132 through 153, inclusive, 178 through 210, inclusive, 218 through 289, inclusive, in Lake Cunningham Hills, a subdivision as surveyed, platted and recorded in Douglas County, Nebraska.

1. Permitted Uses. No lot shall be used except for residential purposes, schools or churches. No homes shall be erected, altered, placed or permitted to remain on any lot other than detached single-family dwellings not to exceed two stories in height. No obnoxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance. Dwellings or structures constructed in any other location shall not be moved onto any lot within the Lake Cunningham Hills Subdivision unless specifically approved by the hereinafter mentioned Architectural Control Committee.

2. Setbacks and Sideyards. All setbacks, sideyards and rear yard requirements shall conform to applicable laws and ordinances.

3. Temporary Structures. No structure of a temporary character, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, either temporary or permanent. Any exterior air conditioning condensing units or heat pump units shall be placed in the rear or side yard of the dwelling.

4. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except dogs, cats, or household pets, provided that they are not kept, bred or maintained for any commercial purposes and provided, that they are kept confined to the Lot of the Owner.

5. Area. No building shall be created, altered, placed or permitted to remain on any lot except detached single-family dwellings not to exceed two stories in height nor containing finished living areas, exclusive of porches, breezeways, carports and garages, of less than 1,050 square feet. Each house shall have either a built in or attached garage of adequate size to accommodate no less than two (2) cars, side by side. Driveways shall be of concrete or other materials approved by the Architectural Control Committee described herein.

6. Landscaping. Upon completion of the construction of the house, the front and side yards shall be sodded and the rear yard shall be sodded or seeded. There shall be a minimum of one tree planted on the lot upon completion of the house.

7. Ground Water Drainage. The Developer has created a water drainage plan by grading the Properties and installing improvements and easements for storm drainage in accordance with accepted engineering principles. No building shall be placed, nor any lot graded, to interfere with such water drainage plan nor cause damage to the building or neighboring buildings or lots.

8. Weeds. The title holder of each lot, vacant or improved, shall keep his lot or lots free from weeds and debris. Each lot shall be maintained level and smooth enough for machine mowing. No vegetation on any lot shall be allowed to reach more than a maximum height of twelve (12) inches.

9. Conform to Zoning. All structures, including driveways, sidewalks and patios placed upon the above property shall conform to the zoning requirements of the City of Omaha and the building code requirements of the City of Omaha.

10. Removal of Debris. During and after completion of the construction of any dwelling house or building on the above lots, the construction debris must be removed from the area of the Lake Cunningham Hills Subdivision. No owner, builder, subcontractor or occupant of any dwelling house within the Lake Cunningham Hills Subdivision shall place, burn or dispose of any trash, refuse, paper, concrete truck cleanings, earth or other items on any lots in the Lake Cunningham Hills Subdivision. No garbage or trash can or container or fuel tank shall be permitted to remain outside of any dwelling unless completely screened from view from every street and from all other lots in the subdivision.

11. Signs. No advertising sign or posters of any kind shall be erected or placed on any of said lots, except for residential "For Sale" signs, not exceeding six (6) square feet in size, shall be permitted. Provided further, that such restriction as to signs shall not apply to any sign erected by the Developer, or his agents, in Lake Cunningham Hills or other signs approved by the Architectural Control Committee in writing.

12. Boats and Trailer. No boat, camping trailer, campers, auto-drawn trailer of any kind, truck, jeep, motorcycle or aircraft shall be stored on any lot in any manner unless screened from view from every street and from all other lots in the subdivision. No automobile or other vehicle undergoing repairs shall be left exposed on any lot at any time.

13. Outside Antennae. No outside radio, television, satellite dish, Ham broadcasting or other electronic antenna or aerial shall be erected or placed on any structure or on any lot without prior approval by the Architectural Control Committee.

14. Exposed Foundation. The exposed portion of the foundation on the front of the dwelling shall be faced with either brick or stone or such other material as approved by the Architectural Control Committee. The exposed portion of the foundation on the side and rear of the dwelling shall be faced with brick, stone or shall be painted.

15. Architectural Control Committee. "Architectural Control Committee" shall mean the individual or committee appointed by the Developer, its successors or assigns.

A. No dwelling, fence, other than fences constructed by Developer, wall, pathway, driveway, patio, treehouse, swimming pool, television or radio antenna, satellite dishes, flag pole, solar collecting panels or equipment, tool sheds, or other external improvements, above or below the surface of the ground shall be built, erected, placed, planted, altered, or otherwise maintained or permitted to remain on any lot, nor shall any grading, excavation, or tree removal be commenced without express written prior approval of the Developer through its Architectural Control Committee, or its permission by implied approval procured in the manner set forth below.

B. The Developer, through its Architectural Control Committee, shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the lot boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. The Architectural Control Committee specifically reserves the right to deny permission to construct or place any of the above-mentioned improvements which it determines will not conform to the general character, plan and outline for the development of the Properties.

C. Documents submitted for approval shall be clear, concise, complete, consistent and legible. All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the Architectural Control Committee. Submittals for the approval shall be made in duplicate and the comments and actions of the Architectural Control Committee will be identically marked on both copies of said submittals. One copy will be returned to the applicant, and one copy will be retained as part of the permanent records of the Committee. Each applicant shall submit to the Architectural Control Committee the following documents, materials, and/or designs.

1. Site plan indicating specific improvement and indicating lot number, street address, grading, surface drainage and sidewalks.

2. Complete construction plans, including but not limited to, basement and upper floor plans, floor areas of each level, wall sections, stair and fireplace sections and exterior elevations clearly indicating flues or chimneys, type and extent of siding, roofing, other faces and/or veneer materials.

D. The approval or disapproval of the Architectural Control Committee as required in these Covenants shall be in writing. Failure of the Architectural Control Committee to give either written approval or disapproval of submitted plans within thirty (30) days after receipt of all of the documents, by mailing such written approval or disapproval to the last known address of the applicant as shown on the submitted plans, shall operate as a waiver of the requirements for approval by the Architectural Control Committee for the submitted plans.

16. Cable Television Line Easements. A perpetual license and easement is hereby reserved in favor of the Developer, its successors and assigns, to erect, operate, maintain, repair and renew, or contract for the erection, installation, operation, maintenance and repair of underground conduit, wires and/or cable for the carrying and transmission of cable television service over, upon, and below a five foot (5') strip of land adjoining the rear and side boundary lines of said lot in said subdivision, said license is granted for the use and benefit of all present and future owners of lots in said subdivision.

17. Power and Telephone Easements. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District and Northwestern Bell Telephone Company, their successors and assigns, to erect, operate, maintain, repair and renew underground conduit and wires for the carrying and transmission of electric current for light, heat and power, and for all telephone, telegraph and message service over, upon and below a five foot (5') strip of land adjoining the rear and side boundary lines of said lots in said subdivision; said license is granted for the use and benefit of all present and future owners of lots in said subdivision; provided, however, that said side lot easement is granted upon the specific condition that if both of said utility companies fail to construct underground conduit and wires along any of said lot lines within forty-eight (48) months of the date hereof, or if any underground conduits and wires are constructed but are thereafter removed without replacement within sixty (60) days after their removal, such side lot easement shall automatically terminate as to such unused or abandoned easement ways and provided further, the above easement is subject to the right of Developer to install or contract for the installation of lines for cable television with the above described easement area as set forth in paragraph 16. above.

18. Telephone Company. In the event that ninety percent (90%) of all the lots in Lake Cunningham Hills described herein are not improved within five (5) years from the date that Northwestern Bell Telephone Company or its successors or assigns shall have completed the installation of its distribution system for said lots and filed notice of such completion ("Five Year Term"), then every lot that is unimproved at the end of the Five Year Term shall be subject to a charge of Four Hundred Fifty Dollars (\$450.00) by Northwestern Bell Telephone Company or its successors or assigns. A lot shall be considered as unimproved if construction of a permanent structure has not commenced on that lot. Construction shall be considered as having commenced if a footing inspection has been made on the lot in question by officials of the City or other appropriate governmental authority.

Each development phase shall be considered separately in determining whether ninety percent (90%) of the lots within that Phase have been improved within the Five Year Term. All lots described herein, together, shall be considered a separate phase. In determining the date Northwestern Bell Telephone Company or its successors or assigns shall have completed the installation of its distribution system, each development phase shall also be considered separately.

Such charge shall be due and owing immediately upon the expiration of the Five Year Term, and if such charge is not paid within sixty (60) days after the sending of written notice by Northwestern Bell Telephone Company or its successors or assigns to the owner of an unimproved lot that such charge is due, then such charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum, or the maximum rate allowed by law if said maximum rate is less than twelve percent (12%) per annum at the time.

19. Enforcement. If the parties hereto or any of their heirs, successors or assigns shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for the Architectural Control Committee or any person or persons owning any other lots in said development or subdivision to prosecute any proceedings at law or in equity against the

person or persons violating or attempting to violate any such covenant or restriction, and either prevent him or them from so doing or to recover damages for such violation.

20. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

21. Duration. The covenants and restrictions herein contained shall run with the land, and shall be binding upon all persons for a period of twenty-five (25) years from the date hereof, after which time said covenants shall automatically be extended for a successive period of ten (10) years unless an instrument terminating these covenants and restrictions signed by the then owners of two-thirds (2/3) of the lots has been recorded prior to the commencement of any ten (10) year period.

22. Enforcement by Developer. Nothing herein contained shall in any way be construed as imposing upon the Architectural Control Committee, the Developer or any of the undersigned any liability, obligation or requirement to enforce this instrument or any of the provisions contained herein.

23. Assignment by Developer. The rights, powers and responsibilities of the Developer and Architectural Control Committee as outlined and contained in this Agreement may be assigned and delegated by them.

24. Amendments. For a period of five (5) years following the date hereof, the Developer shall have the right to amend, modify or supplement all or any portion of these Protective Covenants from time to time by executing and recording one or more duly acknowledged Amendments to Protective Covenants in the Office of the Register of Deeds, Douglas County, Nebraska. Except as provided in the foregoing sentence, these Covenants and Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be properly recorded.

25. Waiver for Just Cause. Until such time as all lots are improved, the Architectural Control Committee shall have the right in its discretion to waive any one or more of the covenants, conditions or restrictions herein contained for just cause. The waiver must be in writing and executed by the Architectural Control Committee.

IN WITNESS WHEREOF, TOD COMPANY, a Nebraska corporation, being the owner and Developer of all said real estate described herein, in Lake Cunningham Hills, has executed these Covenants this 1st day of September, 1988.

DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS AND RESTRICTIONS FOR NORTH LAKE HILLS SUBDIVISION

GEORGE J. DUBLEWICZ REGISTER OF DEEDS DOUGLAS COUNTY, NEBR.

The undersigned, TOD COMPANY, a Nebraska corporation, (hereinafter referred to as "Developer") and I. Bruce Hill and Sandy Hill, husband and wife (hereinafter referred to as "Current Lot Owners") Developer and Current Lot Owners hereinafter collectively referred to as "Declarants", the owners of the following described real property in North Lake Hills, a subdivision as surveyed, platted and recorded in Douglas County, Nebraska, do hereby create, adopt, declare and establish the following restrictions upon the following described real properties:

Lots 1 through 22, inclusive, 97 through 124, inclusive, 133 through 154, inclusive, 222 and 223, in North Lake Hills, a subdivision as surveyed, platted and recorded in Douglas County, Nebraska.

1. Permitted Uses. No lot shall be used except for residential purposes, schools or churches. No homes shall be erected, altered, placed or permitted to remain on any lot other than detached single-family dwellings not to exceed two stories in height with attached private garage for no more than three automobiles. No obnoxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance. Dwellings or structures constructed in any other location shall not be moved onto any lot within the North Lake Hills Subdivision unless specifically approved by the hereinafter mentioned Architectural Control Committee.

2. Setbacks and Sideyards. All setbacks, sideyards and rear yard requirements shall conform to applicable laws and ordinances.

3. Temporary Structures. No structure of a temporary character, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, either temporary or permanent. Any exterior air conditioning condensing units or heat pump units shall be placed in the rear or side yard of the dwelling.

4. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except dogs, cats or household pets, provided that they are not kept, bred or maintained for any commercial purposes and provided, that they are kept confined to the Lot of their owner and are not permitted to run loose outside the Lot of the Owner.

5. Area. No building shall be created, altered, placed or permitted to remain on any lot except detached single-family dwellings not to exceed two stories in height nor containing finished living areas, exclusive of porches, breezeways, carports and garages, of less than 1,000 square feet. Each house shall have either a built-in or attached garage. Driveways shall be of concrete or other materials approved by the Architectural Control Committee described herein.

6. Landscaping. Upon completion of the construction of the house, the front the side yards shall be sodded and the rear yard shall be sodded or seeded. There shall be a minimum of one tree planted on the lot upon completion of the house.

7. Ground Water Drainage. The Developer has created a water drainage plan by grading the Properties and installing improvements and easements for storm drainage in accordance with accepted engineering principles. No building shall be placed, nor any lot graded, to interfere with such water drainage plan nor cause damage to the building or neighboring buildings or Lots.

8. Weeds. The title holder of each lot, vacant or improved, shall keep his lot or lots free from weeds and debris. Each Lot shall be maintained level and smooth enough for machine mowing. No vegetation on any lot shall be allowed to reach more than a maximum height of twelve (12) inches.

9. Conform to Zoning. All structures, including driveways, sidewalks and patios placed upon the above property shall conform to the zoning requirements of the City of Omaha and the building code requirements of the City of Omaha.

10. Removal of Debris. During and after completion of the construction of any dwelling house or building on the above lots, the construction debris must be removed from the area of the North Lake Hills Subdivision. No owner, builder, subcontractor or occupant of any dwelling house within the North Lake Hills Subdivision shall place, burn or dispose of any trash, refuse, paper, concrete truck cleanings, earth or other items on any lots in the North Lake Hills Subdivision. No garbage or trash can or container or fuel tank shall be permitted to remain outside of any dwelling unless completely screened from view from every street and from all other lots in the subdivision.

11. Signs. No advertising sign or posters of any kind shall be erected or placed on any of said lots, except for residential "For Sale" signs, not exceeding six (6) square feet in size, shall be permitted. Provided further, that such restriction as to signs shall not apply to any sign erected by the Developer, or his agents, in North Lake Hills or other signs approved by the Architectural Control Committee in writing.

12. Boats and Trailer. No boat, camping trailer, campers, auto-drawn trailer of any kind, truck, jeep, motorcycle or aircraft shall be stored or in any manner unless screened from view from every street and from all other lots in the subdivision. No automobile or other vehicle undergoing repairs shall be left exposed on any lot at any time.

13. Outside Antennas. No outside radio, television, satellite dish, Ham broadcasting or other electronic antenna or aerial shall be erected or placed on any structure or on any lot without prior approval by the Architectural Control Committee.

14. Exposed Foundation. The exposed portion of the foundation on the front of the dwelling shall be faced with either brick or stone or such other material as approved by the Architectural Control Committee. The exposed portion of the foundation on the side and rear of the dwelling shall be faced with brick, stone or shall be painted.

15. Architectural Control Committee. "Architectural Control Committee" shall mean the individual or committee appointed by the Developer, its successors or assigns.

A. No dwelling, fence, other than fences constructed by Developer, wall, pathway, driveway, patio, patio cover or enclosure, deck, rock garden, garden, trashhouse, swimming pool, television or radio antenna, satellite dishes, flag pole, solar collecting panels or equipment, tool sheds, or other external improvements, above or below the surface of the ground shall be built, erected, placed, planted, altered, or otherwise maintained or permitted to remain on any lot, nor shall any grading, excavation, or tree removal be commenced without express written prior approval of the Developer through its Architectural Control Committee, or its permission by implied approval procured in the manner set forth below.

B. The Developer, through its Architectural Control Committee, shall consider general appearance, exterior color or colors, architectural character, harmony of external design and location in relation to surroundings, topography, location within the lot boundary lines, quality of construction, size and suitability for residential purposes as part of its review procedure. The Architectural Control Committee specifically reserves the right to deny permission to construct or place any of the above-mentioned improvements which it determines will not conform to the general character, plan and outline for the development of the Properties.

C. Documents submitted for approval shall be clear, concise, complete, consistent and legible. All drawings shall be to scale. Samples of materials to be included in the improvement may be required of the applicant at the discretion of the Architectural Control Committee. Submittals for the approval shall be made in duplicate and the comments and actions of the Architectural Control Committee will be identically marked on both copies of said submittals. One copy will be returned to the applicant, and one copy will be retained as part of the permanent records of the Committee. Each applicant shall submit to the Architectural Control Committee the following documents, materials and/or designs.

1. Site plan indicating specific improvement and indicating Lot number, street address, grading, surface drainage and sidewalks.

2. Complete construction plans, including but not limited to, basement and upper floor plans, floor areas of each level, wall sections, stair and fireplace sections and exterior elevations clearly indicating flues or chimneys, type and extent of siding, roofing, other faces and/or veneer materials.

D. The approval or disapproval of the Architectural Control Committee as required in these Covenants shall be in writing. Failure of the Architectural Control Committee to give either written approval or disapproval of submitted plans within thirty (30) days after receipt of all of the documents, by mailing such written approval or disapproval to the last known address of the applicant as shown on the submitted plans, shall operate as a waiver of the requirements for approval by the Architectural Control committee for the submitted plans.

16. Cable Television Line Easements. A perpetual license and easement is hereby reserved in favor of the Developer, its successors and assigns, to erect, operate, maintain, repair and renew, or contract for the erection, installation, operation, maintenance and repair of underground conduit, wires and/or cable for the carrying and transmission of cable television service over, upon and below a five foot (5') strip of land adjoining the rear and side boundary lines of said lot in said subdivision, said license is granted for the use and benefit of all present and future owners of lots in said subdivision.

17. Power and Telephone Easements. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District and Northwestern Bell Telephone Company, their successors and assigns, to erect, operate, maintain, repair and renew underground conduit and wires for the carrying and transmission of electric current for light, heat and power, and for all telephone, telegraph and message service over, upon and below a five foot (5') strip of land adjoining the rear and side boundary lines of said lots in said subdivision; said license is granted for the use and benefit of all present and future owners of lots in said subdivision; provided, however, that said side lot easement is granted upon the specific condition that if both of said utility companies fail to construct underground conduit and wires along any of said lot lines within forty-eight (48) months of the date hereof, or if any underground conduits and wires are constructed but are thereafter removed

14545 N150

without replacement with sixty (60) days after their removal, such side lot easement shall automatically terminate as to such unused or abandoned easement ways and provided further, the above easement is subject to the right of Developer to install or contract for the installation of lines for cable television with the above described easement area as set forth in paragraph 16. above.

18. Telephone Company. In the event that ninety percent (90%) of all the lot in North Lake Hills described herein are not improved within five (5) years from the date that Northwestern Bell Telephone Company shall have completed the installation of its distribution system for said lots and filed notice of such completion ("Five Year Term"), then every lot that is unimproved at the end of the Five Year Term shall be subject to a charge of Four Hundred Fifty Dollars (\$450.00) by Northwestern Bell Telephone Company or its successors. A lot shall be considered as unimproved if construction of a permanent structure has not commenced on that lot. Construction shall be considered as having commenced if a footing inspection has been made on the lot in question by officials of the City or other appropriate governmental authority.

Each development phase shall be considered separately in determining whether ninety percent (90%) of the lots within that Phase have been improved within the Five (5) Year Term. All lots described herein, together, shall be considered a separate phase. In determining the date Northwestern Bell Telephone Company shall have completed the installation of its distribution system, each development phase shall also be considered separately.

Such charge shall be due and owing immediately upon the expiration of the Five Year Term, and if such charge is not paid within sixty (60) days after the sending of written notice by Northwestern Bell Telephone Company or its successors to the owner of an unimproved lot that such charge is due, then such charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum, or the maximum rate allowed by law if said maximum rate is less than twelve percent (12%) per annum at the time.

19. Enforcement. If the parties hereto or any of their heirs, successors or assigns shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for the Architectural Control Committee or any person or persons owning any other lots in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant or restriction, and either prevent him or them from so doing or to recover damages for such violation.

20. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

21. Duration. The covenants and restrictions herein contained shall run with the land, and shall be binding upon all persons for a period of twenty-five (25) years from the date hereof, after which time said covenants shall automatically be extended for a successive period of ten (10) years unless an instrument terminating these covenants and restrictions signed by the then owners of two-thirds (2/3) of the lots has been recorded prior to the commencement of any ten (10) year period.

22. Enforcement by Developer. Nothing herein contained shall in any way be construed as imposing upon the Architectural Control Committee, the Developer or any of the undersigned any liability, obligation or requirement to enforce this instrument or any of the provisions contained herein.

23. Assignment by Developer. The rights, powers and responsibilities of the Developer and Architectural Control Committee as outlined and contained in this Agreement may be assigned and delegated by them.

24. Amendments. For a period of five (5) years following the date hereof, the Developer shall have the right to amend, modify or supplement all or any portion of these Protective Covenants from time to time by executing and recording one or more duly acknowledged Amendments to Protective Covenants in the Office of the Register of Deeds, Douglas County, Nebraska. Except as provided in the foregoing sentence, these Covenants and Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be properly recorded.

25. Waiver for Just Cause. Until such time as all lots are improved, the Architectural Control Committee shall have the right in its discretion to waive any one or more of the covenants, conditions or restrictions herein contained for just cause. The waiver must be in writing and executed by the Architectural Control Committee.

Said tracts contain a total of 0.014 of an acre, more or less, and is shown on the drawing attached hereto and made a part hereof by this reference.

TO HAVE AND TO HOLD said Easement and Right-of-Way unto the said Grantee, Metropolitan Utilities District of Omaha, its successors and assigns.

1. The Grantors agree that neither they nor their successors or assigns will at any time erect, construct or place on or below the surface of said tracts of land any building or structure, except pavement, and they will not give anyone else permission to do so.

2. The Grantee shall restore the surface of the scil excavated for any purpose hereunder, as near as may be reasonably possible, to the original contour thereof and as soon after such work is performed as may be reasonably possible to do so.

3. Nothing herein contained shall be construed as a waiver of any rights of the Grantors, or duties and powers of the Grantee, respecting the ownership, use, operations, extensions and connections to any pipeline constructed and maintained hereunder.

4. It is further agreed the Grantors have lawful possession of said real estate, good right and lawful authority to make such conveyance and they and their executors, administrators, successors and assigns shall warrant and defend the same and will indemnify and hold harmless the Grantee forever against the claims of all persons whomsoever in any way asserting any right, title or interest prior to or contrary to this conveyance.
