B-1. A perpetual license and easement is hereby reserved in favor of and granted to the Northwestern Bell Telephone Company and to Omaha Public Power District, their successors, and assigns, to erect and operate, maintain, repair and renew cables, conduits, and other instrumentalities, and to extend wires for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service under a 5-foot strip of land adjoining the rear and side boundary lines of each lot, said licenses being granted for the use and benefit of all present and future owners of said lots; provided, however, that said side lot line easements are granted upon the specific condition that if both said utility companies fail to construct wires or conduits along any of the said lot lines within 36 months of the date hereof, or if any wires or conduits are constructed but hereafter removed without being replaced within 60 days after their removal, then this side lot line easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings shall be placed in perpetual easementways, but the same may be used for gardens shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

B-2. All telephone and electric power service lines from property line to dwelling shall be underground.

Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

C-3. The covenants and restrictions of this Declaration shall run with and bind the successive owners of each lot in the subdivision for a term of twenty-five (25) years from the date this Declaration is recorded. This Declaration may be amended by the Declarant, or any person, firm, corporation, partnership, or entity designated in writing by the Declarant, in any manner it shall determine in its full and absolute discretion for a period of five (5) years from the date hereof.
